R (4) Admission

Candidates will be shortlisted on the basis of merit and admission will be granted as per availability of seats in the specific subjects. While granting admission to students to M.Phil. / Ph.D. programmes, the Department / Institute should follow the National / State Reservation Policy.

Allocation of Supervisor / Guide

The allocation of the Supervisor/Guide for a selected scholar shall be decided by the Departmental Committee (consisting of the Head and the guides in the department) within one week of the interview, depending on the number of Scholars per faculty member, the available specialization among the faculty supervisors /guides and the research interest of the scholar, as indicated during the interview by the scholar. The

allotment / allocation of Supervisor / Guide shall not be left to the individual scholar or teacher.

R (5) The Ph.D. Programme

The Ph.D. programme will be offered only at the University departments/Institutes and Recognized Institutions. **M.Phil/Ph.D. programme will not be conducted through the Distance Education mode.**

The Ph.D. programme shall consist of a combination of course work (Part A) and research work (Part B).

Part A: Course work (1 year/two semesters)

After having been admitted, each M.Phil. / Ph.D. scholar shall be required to undertake course work for a period of two semesters (in the 1st year). The course work shall be treated as Pre-M.Phil. /Ph.D. preparation. The scholar will be allowed a maximum of 2 attempts (to be cleared within the first year after admission to the M.Phil. / Ph.D. programme). The syllabus for the course work will be framed by the concerned Board of Studies.

a) The course work will be of 12 credits and will include:

- (i) **Research Methodology (4 credits/100 marks).** This may include quantitative, qualitative methods of research, use of information and communication technology in research, wherever applicable. The scholar will be required to appear for a written test.

This Written test will be conducted by the University Department at the end of the first and second semester. The Departments will make syllabi available to the scholars. It will arrange for guidance sessions. The scholars may attend guidance sessions for research methodology organized by sister departments / institutes either within or outside the University. Attendance of guidance sessions is not compulsory.

The date of the written test will be communicated to the scholars well in advance. The answer paper may be shown to the scholars on demand. The result of the test will be communicated to the scholars within 30 days.

Marks will be allotted as follows:

Written test	30 marks
Preparation of research proposal	30 marks
Presentation of research proposal	20 marks
Assignment on methodological review of a large project/ book on research methodology	20 marks

- (ii) **Two courses (4 credits /100 marks each).** These courses will be subject-specific. The course work will be done on the basis of guided reading supervised by the guide. For evaluation purposes the scholar should prepare review of

literature and carry out assignments given by the guide (book review, content analysis, action research, need assessment survey etc.)

The papers/assignments may be written in English, Marathi, Gujarati or Hindi provided both the guide and co-guide if any, are conversant with the chosen medium.

The purpose of course work is to broaden the scholars' understanding of the subject. Scholars should submit these assignments to the guide. The assignments/papers should be evaluated by the guide. The mark sheet will be prepared by the respective Departments.

Marks allotment

Course II	
Review of literature	40 marks
Presentation	30 marks
Assignment	30 marks
Course III	
Concept note based on the content of the research	40 marks
Presentation	30 marks
Report of 2 books related to research topic/report of visit/ interviews / seminar attended (1000-1500 words)	30 marks

Minimum percentage for passing the examination in all these courses will be 50%.

The course work shall be completed in first two semesters (which could be extended to a maximum of 4 semesters, failing which her registration for the Ph.D. Programme will be cancelled. She can apply for Ph D. Entrance test again.

Exemption from course work:

Scholars who have successfully completed M. Phil. from a recognized University will be exempted from the **course work on Research Methodology**.

Scholars who do not complete Ph.D. within the required time period and therefore reregister for Ph.D. within a period of three years of expiry of terms, will be exempted from coursework, provided the course work was completed previously satisfactorily.

For scholars who are interested in doing Ph.D. in a subject (that allows for interdisciplinary work), that is not their subject of specialization at the Master's and/or M. Phil. level, will be required to successfully complete Bridge Course (of 8 credits) in the chosen field as prescribed by BOS in addition to the above course work. Internal examination of Bridge course will be conducted by the Department for such scholars.

Part B: Research Work

The scholar shall carry out research using acceptable research methods in the field under the supervision of approved guide(s).

A work which has already been considered for a Degree/Diploma by this or any other University/Institution shall not be considered for the conferment of Ph.D. degree by this University.

The thesis may be written in English, Marathi, Gujarati or Hindi provided the guide and/or co-guide is conversant with the chosen medium.

After completing the course work (all 3 courses) the scholar will prepare a research proposal under the guidance of the assigned guide. The scholar will submit 5 copies of the proposal to the Head of University Department/ Institute through the guide. If the proposal is in a language other than English, the scholar should submit two additional copies in English.

- a) The Head of University Department shall call for a meeting of the Department Research Committee (DRC) within 30 days of receipt of the proposal.
- b) The Departmental Research Committee (DRC) shall scrutinize the research proposal and interview the scholar to determine the feasibility of the research proposal.
- c) Each candidate shall be required to make a presentation of her proposal to the DRC.
- d) The DRC shall approve, suggest modification(s) or reject the proposal. If a proposal is rejected, the candidate may resubmit a fresh proposal within three months. The DRC may recommend, if necessary a Co-guide to the candidate. The guide or the co-guide shall not be a collateral relation of the candidate.
- e) If the DRC approves the proposal, the same will be forwarded to the Research and Recognition Committee (RRC).

HOD (HOD) should forward 5 copies of the proposal approved by DRC to the Director, BCUD to be placed before RRC.

- f) The RRC shall approve, suggest modification(s) or reject the proposal. If a proposal is rejected the scholar may submit a fresh proposal within six months of intimation from the University.
- g) If the RRC approves the proposal, Director, BCUD will issue letter of approval of the title (within 30 days) with a copy to the concerned Guide, HOD, and Controller of Examinations.
- h) Terms of six months each, shall commence from January or July immediately on registration. Terms will be from January to June and July to December.
- i) Scholars from other Universities shall be required to submit a migration certificate to the concerned Department within one year of enrolment. They

will also have to pay the eligibility fee as prescribed by the University at the time of their registration.

The concerned Department will forward the migration certificate to the Controller of Examinations.

A scholar may revise her research proposal/modify the title by the end of second year of registration. The proposal / title if revised shall be presented to the DRC and subsequently to RRC for approval. The number of academic terms for Ph.D. programme will remain unchanged in such cases.

Re-registration:

- Re-registration may be allowed only once with or without break.
- Scholars who re-register with a break of 3 years or more will be required to do the prescribed coursework.

R (6) Duration of the Course

- a) The Ph.D. course shall be of five years duration (i.e. 10 terms) with a minimum of three years (i.e. 6 terms) programme. For extension after 6 terms upto 10th term, the scholar should apply to the HOD through the Guide.
- b) The scholar shall be required to complete the course work and the research work within this period. During this period, each scholar shall be required to submit a progress report (certified by the guide) to the HOD, every six months. (Pl see enclosed proforma for progress report)
- c) H.O.D. will consolidate and forward the Annual Progress Reports of all the scholars in the month of July every year to the Director, BCUD.
- d) HOD should intimate to the Director, BCUD every year in the month of July about cancellation of registration, if any.
- e) If a candidate is unable to complete the Ph. D. work within the five year period, she shall be required to apply for extension of duration for one year i.e. 2 terms (6th year) **one term at a time** with the recommendation of the Guide to the HOD at least two months before the expiry of the prescribed period of study on the prescribed form (Format enclosed). Extensions up to 2 additional terms (sixth year) may be granted by the RRC on recommendation of the guide and the HOD. Extension will be granted for one additional term at a time.
- f) Scholars who are unable to complete their Ph.D. within six years may apply for final extension on the prescribed form and recommended by Guide to HOD for another year (7th year) **one term at a time**. The HOD will forward the same to the Director BCUD for placing it before the RRC. The RRC should forward it to Vice Chancellor with or without recommendation for extension of 13th and 14th term.
- g) After the 10th semester the scholar will be required to pay a fee equivalent to the 10th semester.

- h) The scholar ceases to be a Ph.D. scholar, if she is not granted approval for extension by the RRC/VC or is unable to submit the Ph.D. thesis within the specified time period of six/seven years.

R (7) Cancellation of Registration

The HOD will forward the case of a scholar for cancellation of registration to RRC through the Director, BCUD.

- a. If the scholar fails to clear written test (of Research methodology course) in two attempts.
- b. If the scholar fails to complete course work of all 3 courses within 4 semesters
- c. If the scholar fails to submit progress reports for two consecutive terms.
- d. If two consecutive progress reports are not satisfactory.

The Director, BCUD will notify about the cancellation of registration to the concerned scholar along with copy to the concerned authorities.

In such cases the scholar may apply for re-registration if she so desires. She will be treated as a fresh Ph.D. applicant and will be required to appear for the entrance test.

R (8) Change of Guide

- If a scholar desires a change of guide, she should submit her application with reasons given in writing, through the HOD along with NOC from the Guide to the Director, BCUD.
- HOD will forward the application to Director, BCUD to be placed before RRC. The new guide will be assigned by the RRC.
- In the event of NOC not being available from the Guide within two months of application from the scholar, the decision of RRC shall be final.
- In cases such as Guide's unwillingness/inability to continue with the guidance, above mentioned procedure shall be followed.

R (9) Submission of Synopsis & Thesis, Evaluation and Assessment

- a) Prior to submission of the thesis for adjudication, the scholar will publish one research paper based on her research in a refereed journal, and produce evidence for the same in the form of acceptance letter or the reprint.

Procedure for submission of synopsis: The scholar must present the synopsis before the DRC. If the DRC approves then only the synopsis should be sent to Director, BCUD to be placed before RRC.

- b) Synopsis of the thesis (3 copies for Examination Department, 5 for Director, BCUD for RRC and a soft copy to Department, COE and Director, BCUD) shall be submitted by the scholar, approximately six months before submitting the thesis, to the Controller of Examinations. The synopsis should be submitted through the HOD with her guide's recommendation. It should be accompanied by the Examination form, fees, certificate of completion of course work/exemption. The examination form will be available at the cash counter of the University office at Pariksha Bhavan, Juhu or on the university website. HOD will forward 3 copies of synopsis to the COE and 5 to Director, BCUD.

If the thesis is to be written in a language other than English, five copies of the synopsis should be submitted in English to the Director, BCUD, in addition to the 8 copies submitted to the Examination Department and BCUD (total copies 8 in vernacular + 5 in English).

Note:

At the time of submission of the synopsis, the scholars must also produce all original fee receipts with a photocopy of each to the concerned Department. The Department will verify the payment of fees and a set of photocopies of fee receipts shall be retained by the Department. The HOD will certify payment of fees.

- c) After submission of the synopsis, the same will be placed in the concerned RRC for recommending the panel of referees for evaluation of the thesis. The panel of referees recommended by the RRC shall be forwarded by the Director, BCUD to the Board of Examinations (BOE). The thesis shall be evaluated by two referees, out of which one shall be from outside the State and the other from Maharashtra.
- d) The BOE will approve the panel of referees in its ensuing meeting after receiving the panel from the Director, BCUD.
- e) The Examination Department will send the synopsis to the referees within one month after approval of Referees by the BOE for their consent to evaluate the thesis.
- f) The thesis will be sent to the referees immediately upon their acceptance and as soon as the thesis is submitted to the Examination Department by the scholar.

Thesis:

- a. The M.Phil. / Ph. D. scholar will produce a draft thesis within the stipulated time period.
- b. Prior to submission of the thesis, the scholar shall make a pre- M.Phil. / Ph. D. presentation in the Department that may be open to all faculty members and research scholars, for getting feedback and comments, which may be suitably incorporated into the draft thesis under the advice of the supervisor/guide.

- c. In addition, scholar should include in the appendix of the thesis, the acceptance letter for publication of research paper or the first page of the reprint of the published paper.
- d. The thesis shall be typed with 1.5 line spacing, font size 12 for all approved vernacular languages in Unicode and in Times New Roman for English. The thesis should be typed on one side of the paper.
- e. Three hard copies and a soft copy (in pdf format) of the thesis shall be submitted to the Examination Department (duly signed by the Guide) and forwarded by the HOD (within a period of six months of submission of the synopsis) or until the registration is valid (whichever is later) **not before three months** from the time of submission of the synopsis. However the rules regarding the extension of the term and the payment of penalty will be applicable even after the submission of the synopsis.
- f. The declaration duly signed by both the guide and the scholar must appear in the thesis after the title page. (Format enclosed).

R. (10) Appointment of Referees

Letters appointing referees along with the synopsis shall be sent by the Controller of Examinations. The referee is expected to accept examinership within 30 days failing which the next referee on the panel will be appointed. Referee shall be requested to evaluate the thesis within 60 days of receiving it. The referees shall also be requested to re-examine the thesis if he/ she recommends a revision. In such cases the referees shall be paid extra remuneration as per rules.

R. (11) Evaluation of the Thesis:

- a) The thesis shall be evaluated by two referees from the approved panel of External referees, out of which one shall be from outside the State and the other from Maharashtra.
- b) On receipt of a satisfactory evaluation report from both the External referees, the Controller of Examinations shall organize a Viva-Voce Examination at a suitable date. Viva-Voce Examination shall be organized at Mumbai. **The thesis will be openly defended by the candidate.**
- c) If the evaluation reports from both the External referees are not satisfactory, the candidate shall be considered to have failed and shall be accordingly informed by the University.
- d) If the report of one external referee is favorable and the report of the other referee is not favorable, it shall be sent to a third external referee from the panel. If the third referee's report is favorable, the thesis will be accepted. If the third referee's report is unfavorable the thesis shall be rejected. If it is rejected, the scholar shall be considered to have failed and will be informed accordingly by the Department of Examinations.

e) **Modification / Revision:**

- If the report given by one external referee is satisfactory and the second referee suggests revision, the scholar will be informed through the Guide by the Department of Examinations. The scholar shall make the necessary revisions and re-submit it within six months from the date of intimation from the Department of Examinations. Then it shall be sent to the same referee who had recommended revision. If the referee rejects the thesis / report is unfavorable even after revision it shall be sent to the third examiner on the panel. If the third examiner's report is favorable the thesis shall be accepted. If the third examiner suggests revision the same procedure shall be followed as outlined above. If it is rejected by the third examiner, the thesis shall be rejected. The scholar shall be considered to have failed and will be informed accordingly by the Examination department.
- In case both the referees suggest revision, the thesis shall be sent back to the scholar for revision through the guide. The scholar shall be required to re-submit the thesis within six months. Thereafter, it shall be sent back to the same referees. The procedure thereafter regarding accepting and rejecting the thesis will be as mentioned earlier.

Note: In all of the above cases of revision and re-submission, the scholar will have to pay complete tuition fee for that term and full examination fees again as per the prescribed rules.

f) **Conduct of Viva-Voce**

When the two external referees accept the thesis, the Viva-Voce shall be held and the external referee preferably from Maharashtra shall be invited for the Viva-Voce. In case that referee regrets, the second referee will be invited. The guide shall be required to be present. The Department of Examinations will arrange for the same. HOD shall Chair the Open Defense.

The viva voce examination shall be openly defended by the M.Phil. / Ph. D. scholar.

g) **Procedure for Open Defense:**

The notice of the Open Defense shall be displayed on the website atleast 8 days prior to the Viva voce by the Department of Examinations. Notice will also be sent to all Heads of the Departments, Directors of Institutions and Centres in the university (and to Recognized Institutes in case of Management faculty). The HOD should inform head of PG centre in concerned subject in affiliated colleges and external Ph. D. Guides.

HOD (chairperson) will introduce the Guide and the examiner. The scholar will then make her presentation based on the study. The referee will then conduct the viva. This will include questions suggested by the second referee. The result will be prepared by the referee and the guide on the basis of this viva. Subsequently, the floor will be open for the audience. The question-answer session will not have any bearing on the result of the scholar. The Chairperson will conclude the Open Defense session.

h) **A Joint report of viva-voce examination:**

The Referee and the Guide shall prepare a consolidated joint report on the basis of the written reports of the referees and performance at the Viva-Voce Examination, and submit the same to the Controller of Examinations immediately after the viva-voce examination. They shall make a recommendation for acceptance/non acceptance of the thesis for the award of the Doctoral Degree.

i) **Result:**

The Board of Examinations shall accept the recommendations of the referees. The result shall be declared by the University, and **the notification shall be sent to the scholar and a copy of the same shall be sent to the Guide and the HOD** only after clearance from the Library regarding submission of thesis as per requirements of Shodhganga (INFLIBNET).

DEPOSITORY WITH UGC

Following the successful completion of the evaluation process and announcement of the award of M.Phil./Ph.D., the University shall submit a soft copy of the thesis to the UGC within a period of thirty days, for hosting the same in INFLIBNET, accessible to all Institutions/Universities. Along with the Degree, the University shall issue a provisional certificate certifying to the effect that the Degree has been awarded in accordance with the provisions to the Regulations of the UGC.

R. (12) Schedule of Fees

Note:

- i) Prescribed fees except Examination Fee will be collected by the respective Institution/Department of the University from 10.30 a.m. to 1.00 p.m. from Monday to Friday. The department will send the Library fee and deposit amount to Library and other fees (Enrolment/Eligibility etc.) to respective sections of the university.
- ii) Examination fees will be collected at the Examination Department between 10.30 a.m. to 1.00 p.m. from Monday to Friday.
