Centre for Distance Education(CDE)

SNDT Women's University shifted to dual mode of education, face to face as well as distance mode in 1979. The Centre for Distance Education was established mainly to empower women through higher education. The CDE is offering several certificate / diploma / degree / post-graduate programmes in various disciplines to lakhs of girls / house wives / working women who could not complete their education (not even SSC/HSC), but are strongly motivated to upgrade their educational and/or professional qualifications.

In last 40 years, more than 3 lakhs women are benefited by this facility and improved their careers in life.

Objectives

- ❖ To empower women with A3 (Anyone, Anytime, Anywhere) higher education.
