--	---	---

To begin the admission process, students are required to log in to the admission portal using their PRN (Permanent Registration Number) as their **username**. Students can find their PRN on their previous year's marksheet or hall ticket.

For login, students are required to enter their Date of Birth in the prescribed YYMMDD format, without using any slash (/), hyphen (-), space, or any other special character.

For example: If the Date of Birth is 01.06.1999, the **password** should be entered as 990601.

Students are requested to carefully enter their login credentials to avoid any difficulty while accessing the admission portal.

- **Fee Payment and Form Submission**

1. After successfully logging into the portal, students are required to fill in the Second-Year admission form with the necessary details. Once the form has been completed, students should select the **“Make Payment”** option to proceed with the prescribed admission fee payment.
2. Before proceeding with the payment, students are advised to carefully **verify the email ID** displayed on the portal and ensure that it is correct and active, as important admission-related communication may be shared through the registered email ID.
3. Students may complete the fee payment using the **Debit Card / Credit Card** option available on the portal and should follow the instructions displayed on the screen to complete the transaction successfully.
4. Students are specifically advised **not to select the RTGS / NEFT** option for completing the admission fee payment.
5. The admission form will be treated as successfully submitted **only after the fee payment has been completed successfully**. Students are therefore requested to ensure that the payment is successfully processed before exiting the admission portal.
6. Students are requested to carefully follow the step-by-step instructions provided for the online fee payment process. Screenshots illustrating the fee payment procedure have been provided below for the student’s guidance and reference.
