

Dr. Milind J. Bhitre

Associate Professor of Pharm. Chem.

C. U. Shah College of Pharmacy

milind.bhitre@cushahpharmacy.sndt.ac.in

Subjects:

- B. Pharm.
- Pharm. Chem.
- Pharm. Chem.

Current engagement with research:

- Synthesis of various pH sensitive hydrogel for targeted drug delivery.
- Synthesis and testing of heterocyclic compounds for their anticancer activity.
- Isolation and testing of plant extract for their anti-inflammatory activity.
- Use of micro-organism for synthetic reaction.
- Synthesis of perfumes and there intermediates.

Involvement with extension and field work.

- Examiner for Shivaji University Kolhapur
- Examiner for NMIMS University, Mumbai
