

Examination Results and Awards / Medals

Examination Reforms

1. Enhancing Quality of Assessment
 - i. Prepared Guidelines for appointment of Examiners, Moderators and Paper setters for Undergraduate and Postgraduate Program
 - ii. Rules for revaluation were prepared to maintain the uniform quality of Assessment and reduce malpractices.
2. Examination Calendar and timely announcement of results
 - i. Examination Calendar, Dates of Examinations and time table were declared in the Month of July, 2013.
 - ii. Results of more than 90% programmes were declared within 30/45 days.
3. Internship and Research (8 credits each) 16 credits Introduction of Internship and Research were introduced for all P.G. Programmes. The procedure for approval of the title of thesis, appointment of Internal Guide, External Referees and proforma for evaluation were carried out according to provisions of Maharashtra Universities Act 1994.
4. Convocation 2013
 - i. Live webcast of convocation events was organized at selected nodal centres at Juhu, Pune, Nashik, Dhule, Satara and Amalner Colleges. The Programme was viewed by most of the students.
 - ii. The communication regarding the Convocation event was sent through SMS which reduced paper work, manpower and was economical.
5. E-Suvidha Admission, Enrolment
 - i. Admission, Enrolment, Pre-Examination work, (Admit card and Supervisor Report) was implemented.
 - ii. Online Entry of internal marks and incentive marks at E-Suvidha Portal was carried out to minimize paperwork and easy result processing.
6. Scanning of all documents of Examinations Section was completed for easy retrieval of data
7. Increase number of Gold medals/Prizes from 7 to 36 (almost 5 times increase) by constant follow up and communication with donors
8. Full Proof and secure delivery of E-mode transfer of Question papers - Question papers (approximately 256x6) for all UG/PG Examination Centres (about 450+) Centres in the State of Maharashtra, Gujarat, U.P., Bihar and Goa were sent by E-mode transfer (saving at least Rs. 30 lacs.), which reduces time, paper work (stationery), anxiety and economy.
9. Pilot project was conducted for B. Tech. Semester VII examination for online evaluation of answer books.

During the year 2012-2013 the department conducted examinations in each semester both for fresher's as well as repeaters. There were 111 examinations in winter (Oct-Nov 2012) and 165 during summer (April – May 2013). 32.24% examinations results were declared in 30 days whereas 34.42% results were declared within 45 days.

During the 62nd convocation held on December 18, 2012, the degrees and diplomas were awarded to 23295 students studied in 102 programmes. This includes 68 Ph.D., 12 M. Phil., 2618 Masters, 243 P.G. Diplomas, 17846 Bachelors and 599 undergraduate diplomas.

The highlight of 62nd convocation was the increase in the number of Ph. D. awardees compared to the last year. The number rose from 29 to 68.

The list of meritorious students, who received Awards and Medals during the convocation in Dec. 2012 is presented in Appendix C.
