India's Pioneering Youth Skill Development Workshop and Exhibition

11th – 12th July, 2019

SNDT Women's University
Churchgate, Mumbai

POST EVENT REPORT

by

OPEN FRAME

11TH - 12TH JULY 2019

DEPT. OF ECONOMICS

SNDT WOMEN'S UNIVERSITY, CHURCHGATE

INTRODUCTION

Campus to Corporate (C2C) Initiative by Open Frame, India's pioneering Youth Skill Development program, designed to transform youth to become Job Generators rather than Job seekers.

Campus to Corporate (C2C) basically focuses on enhancing the capacities of people by generating maximum opportunities for youth and the wider society, in order to enable their active participation in the process of economic and social transformation.

This event has provide students with unique opportunities to interact with people from various verticals of the workplace through which they can increase their critical thinking and reasoning skills and can develop clarity for themselves. We further aim to achieve this through developing the spirit of logical reasoning leadership and entrepreneurial skills, which is so necessary to personal development.

Students can be prepared for a future that makes the achievement of goals and learning new skills easier and more fun. The one-to-one sessions will also help students to understand the techniques of handling anxiety and nervousness for those of them who need it.

OPEN FRAME

Open Frame is a bridge for everyone who is willing to leave a mark in this world. It is a platform where you can frame your picture with us.

We have started this company to fulfil the gap between progress and progressive.

Looking at the gap between the classroom to corporate or between entrepreneur and industry, Open Frame came up with an idea of having a series of workshops and events, we are also into event management, consultancy, services, research, workshops and Conference management.

We look forward to Grow Together!

Recommendations

Mr. Ajoy Vakil

"It was really nice interacting with students. Since I'm a part of Corporate y interaction with students is very less. I have been providing training to the employees and employer.

While conducting workshop in SNDT University was feeling great and proud. Proud to be part because of the objective of Campus 2 Corporate.

Thank you to Ms. Ananya Prem Nath, Founder, Open Frame to inviting me as speaker for such brilliant concept."

Nikhil Walkikar

"The event was well organised, though I was the last speaker of the event still I received good respond and participation from the students.

Concept of Campus 2 Corporate surely going to benefit the career oriented students.

All the best to Team Open Frame for their series of event and would like to be associated for Campus 2 Corporate again."

We look forward for future collaboration with SNDT Women's University for series of Campus 2 Corporate workshop.
