PSO.9	Practice professional and ethical values in human development as a profession.

Course Outcomes		
M.Sc.in Human Development Semester-I		
Course Code	Course Name	Course Outcomes
13101	Advanced Human Development-I	<p>Course will enable students to:</p> <p>CO.1. Organize knowledge of various developmental changes and challenges from prenatal period to middle adulthood.</p> <p>CO.2 Articulate issues impacting different types and areas of human development.</p> <p>CO.3 Use skills to manage issues at the time of birth and immediately after the birth.</p> <p>CO.4 Integrate different issues related to physical and socio-emotional developments of adolescence and adulthood</p> <p>Co.5 Demonstrate the knowledge regarding midlife crisis and address the concerns.</p>
13102	Theories of Behavior and Development	<p>On completion of the course students shall be able to:</p> <p>CO.1 Compare perspectives and focus of various theorists on human development and behavior</p> <p>CO.2 Interpret and predict behaviors of all stages of life span</p> <p>CO.3 Critically appreciate theories of behavior and development</p> <p>CO.4 Scaffold behavior and development at different stages human development</p> <p>CO.5 Insight into anticipating and monitoring development</p>
13103	Psychological	At the successful completion of the course the students will be able

	Testing	<p>to:</p> <p>Co.1 Justify relevance of psychological testing.</p> <p>CO.2 Construct the psychological tools.</p> <p>CO.3 Use knowledge to make assessment tools which is more reliable and valid.</p> <p>CO.4 Set selection criteria of psychological test to be used for human domain assessment</p> <p>CO.5 Respect professional ethics and personal values in psychological testing.</p> <p>CO.6 Compare and classify different psychological tests</p> <p>CO.7 Value relevance of culture free test in psychological testing.</p>
13104	Methods of Research in Human Development	<p>At the end of the course student will be able to:</p> <p>CO.1 Identify relevance of research in human development.</p> <p>CO.2 Apply appropriate research methods to study children.</p> <p>CO.3 Distinguish between various designs of research.</p> <p>CO.4 Recognize need of practicing ethics in research.</p>
13105	Persons with Special Needs	<p>By the end of the course students will be able to:</p> <p>CO.1 Differentiate types of exceptional children</p> <p>CO.2 Identify the causes of disabilities.</p> <p>CO.3 Develop criteria to identify the disability</p> <p>CO.4 Compare different approaches describing disability</p> <p>CO.5 Develop individualized Education plan according to nature of disability</p> <p>CO.6 Guide rehabilitation procedure for the disabled person</p>
13106	Family Studies	<p>On the completion of course students will be able to:</p> <p>CO.1. Develop insight in to stages of family life cycle</p> <p>CO.2. Critically appreciate growing number of alternative family patterns.</p> <p>CO.4. Be cognizant of constantly changing cultural, social and economic scenario</p> <p>CO.5. Critically analyze contemporary issues in family</p>

		<p>CO.6. Implement approaches of family studies.</p> <p>CO.7 Integrate relationship between family and societal exchanges such as work, education, health, religion, government.</p> <p>CO.8 Recognize need of various family welfare Programme</p>
M.Sc. in Human Development Semester-II		
Course Code	Course Name	Course Outcomes
00201	Research Methodology	<p>On the completion of course students will be able to:</p> <p>CO.1 Develop approach to carry out scientific research processes</p> <p>CO.2 Outline the research proposal and set appropriate process.</p> <p>CO.3 Distinguish between various types of researches.</p> <p>CO.4 Use various sampling and sampling techniques in research.</p> <p>CO.5 Develop the research tool and set the procedure of data collection</p>
13202	Entrepreneurship	<p>This course will enable students to:</p> <p>CO.1. Analyze entrepreneurship qualities, skills & provide competencies to run a small or moderate scale business enterprise</p> <p>CO.1. Demonstrate abilities to carry out SWOT at individual and organizational set-up.</p> <p>CO.2. Formulate projects with cost and pricing of projects.</p> <p>CO.3. Relate attitude, motivation and behavior for successful entrepreneurship.</p> <p>CO.4. Experiment with new entrepreneurial behavior & acquire positive self – image.</p> <p>CO.5 .Respect professional social and professional ethics</p>
13203	Issues in ECE	<p>By the end of the course student will be able to:</p> <p>CO.1 Critically analyze issues and viewpoints in relation to early childhood care an education scenario.</p>

		<p>CO.1 Evaluate the administration and management concerns of early childhood education.</p> <p>CO.1 Apply different types of curriculums at preschool level.</p> <p>CO.1 Justify the need of training in ECE set-up</p> <p>CO.1 Estimate assessment and monitoring criteria for effective preschool set-up.</p>
13204	Family Counseling and Family Therapy (Th)	<p>By the end of the course student will be able to:</p> <p>CO.1 Justify the need of family counseling and family therapy.</p> <p>CO.2 Discover the social change and changing patterns of families.</p> <p>CO.3 Integrate family issues across life cycles of the family.</p> <p>CO.4 Formulate counseling session according to the family crisis and various stressful events taking place in the family.</p> <p>CO.5 Critically analyze theoretical perspectives in family counseling.</p> <p>CO.6 Use skills to provide family counseling</p> <p>CO.7 Develop professional attitude towards addressing problems of gay and lesbian marriages, live-in relationships and co-habitation.</p>
13205	Family Counseling and Family Therapy (PR)	<p>CO.1 Apply techniques to resolve family problems.</p> <p>CO.2 Develop awareness in different aspects of family counseling</p> <p>CO.3 Assess the risk and protective factors of family.</p> <p>CO.4 Demonstrate survival strategies for family.</p> <p>CO.5 Frame coping strategies for family members in distress.</p> <p>CO.6 Apply skills to assessment of family concerns and enhance productivity</p>
13291	Child Rights Elective-I	<p>At the end of the course the student will be to:</p> <p>CO.1. Identify the status of children in India.</p> <p>CO.2 Draft the legal safeguards for Indian children.</p> <p>CO. 3 Evaluate application of child rights in Families, Societies, NGO's and Government</p> <p>CO.4 Appraise the role of NGOs in child right protection.</p>

		CO.5 Develop critical perspective on child right and protection.
M.Sc.in Human Development Semester-III		
00301	Research and Statistical Application (Th)	<p>At the end of the course the student will be able to:</p> <p>CO.1 Employ appropriate test for statistical interpretation and discussion.</p> <p>CO.2 Discriminate between parametric and non-parametric tests</p> <p>CO.3 Apply statistical tests for data analysis for both large and small samples</p> <p>CO.4 Demonstrate knowledge and skills to compute and incorporate most suitable statistics.</p> <p>CO.5 Demonstrate competence in statistical designs and interpretations.</p> <p>CO.6 Summarize data and present it using tables and graphs</p> <p>CO.7 Develop proposals of all types of research studies.</p> <p>CO.8 Write research reports</p>
13302	Guidance and Counseling	<p>At the end of the course the students will be able to:</p> <p>CO.1 Locate relevance of guidance and counseling.</p> <p>CIO.2 Address issues, concerns and challenges faced by the clients</p> <p>CO.3 Develop competencies and skills to use counseling approaches in counseling.</p> <p>CO.4 Critically evaluate and appraise various counseling approaches and techniques.</p> <p>CO.5 Practice professional ethics in counseling</p> <p>Cio.6 Deal the dilemma in counseling</p>
13303	Human Resource Development	At the end of the course students should be able to:

		<p>CO.1 Identify relevance of process of human resource development.</p> <p>CO 2 Apply the strategies of Human Resource Development.</p> <p>CO.3 Integrate HRD in various sectors</p> <p>CO.4 Judge the additional issues in HRD.</p>
13304	Adulthood and Aging	<p>By the end of the course the learner will be able to:</p> <p>CO.1 Use insights from research finding to address issues of adulthood.</p> <p>Co.2 Analyze psychosocial issues during adulthood.</p> <p>CO.3 Recognize biological limitations during adulthood and later stage</p> <p>CO.4 Draft the demography of ageing population and analyse.</p> <p>CO.5 Formulate adjustment patterns of behaviors for elderly.</p>
13305	Management of Human Service Organization	<p>By the end of the course the learner will be able to:</p> <p>CO.1 Recognize relevance of human service organizations.</p> <p>CO.2 Exhibit the skills to manage human service organization in appropriate way.</p> <p>CO3 Compare different service organizations.</p> <p>CO.4 Demonstrate communication skills in organizational set-up.</p> <p>CO.5 Develop funding proposals for the organizations.</p>
13391	Adolescence Development Elective-II	<p>At the end of the course, the students will be able to:</p> <p>CO.1 Identify and analyze growth and development of adolescent and youth.</p> <p>CO.2 Evaluate psychosocial concerns and challenges of adolescents.</p> <p>CO.3 Identify the current researches on adolescence and youth.</p> <p>CO.4 Address issues impacting development during adolescence</p> <p>CO.4 Justify the need of moral development and relationship at this stage of adolescent</p>
M.Sc. in Human Development Semester-IV		
Course	Course Name	Course Outcomes

Code		
00401	Dissertation	<p>At the completion of the dissertation the students will be able to</p> <p>CO.1 Outline the research proposal.</p> <p>CO.2 Exhibit the knowledge in developing rationale of the study.</p> <p>CO.3 Formulate the research methodology.</p> <p>CO.4 Set objectives, select or develop research tools</p> <p>CO.5 Organize the review of literature.</p> <p>CO.6 Demonstrate skills of writing results and discussion.</p> <p>CO.7 Exhibit research skills such as appropriate scientific writing styles</p>
00402	Internship	<p>students will be able to:</p> <p>CO.1 Apply management and administration skills and competencies at organizational level.</p> <p>CO.2 Integrate professional skill of workplace</p> <p>CO.3 Test their professional competence skills.</p> <p>CO.4 Connect human development knowledge to professional set up and life</p>
13403	Research Application in Human Development	<p>At the end of the course, the students will be able to:</p> <p>CO.1 Display competencies of scientific writing.</p> <p>CO.2 Manifest skills of presentation and writing scientific documentation.</p> <p>CO.3 Display skills to effectively communicate result finding.</p> <p>CO.4 Identify key words in scientific articles</p>
13404	Product Development	<p>At the end of the course, the students will be able to:</p> <p>CO.1 Create professional and innovative products and materials which could be used in preschool set-up to stimulate the learning in children.</p> <p>CO.2 Produce theoretically based and logically developed handiwork which could be used as teaching aids for preschoolers, modules for</p>

		adolescent issues, tips for elderly to adjust with problems, etc.
