Hi Aarti,

As discussed, we wish to hire [Dixita Kothari](#), however we want to monitor her performance for 6 months (or earlier) based on her interview with our CTO. The remuneration remains same as mentioned in the JD shared with the college. However, we would have to deduct a variable amount of 5K per month from the given amount of 25K to 29K per month for 6 months. The deducted amount of 5K x 6 months is 30K which will be given after completion of 6 months based on the performance.

The all other slabs would be as it is.

In case of any clarification, Feel free to connect.

Thank you,

Regards,

Ankur Vora
