3. **Inspection and Acceptance**

All services covered under the contract may be inspected and tested by the University or its representatives at Contractors cost. If deemed necessary by the University, the Contractor shall provide without charge, all reasonable facilities and assistance for such inspection and test. Any inspection records relating to Service covered by this agreement shall be made available to the University during the performance of the order.

If any service covered by this agreement is defective or otherwise not conforming to the requirements of this agreement, the University may, by written notice to the Contractor:

- (a) rescind the contract as to such non-conforming Service;
- (b) accept such service at an equitable reduction in price;
- (c) reject such non-conforming service and require the delivery of suitable replacements.

(d) If the contractor fails to improvise the shortcomings in the performance promptly, the university, with notice of seven business days, may replace or correct such Service and charge the contractor the additional cost occasioned thereby, or terminate this order by default. No inspection (including source

inspection) test, approval (including design approval) or acceptance of service shall relieve the contractor from responsibility for defects in the performance of contract or other failures to meet the requirements of this order. Rights granted to the University in this article entitled INSPECTION are in addition to any other rights or remedies provided elsewhere in this order or in Law.

04. **Indemnity**

The contractor will indemnify, defend and hold the University, its and students harmless from any loss, expense, claim or damage including reasonable defence costs, arising from any claim or action based on any acts or omissions of the Contractor, its employees, servants, agents or subcontractors. The University reserves the right to be represented in any such action by its own counsel at its counsel at its own expense.
